

Oregon Narcotics Enforcement Association

March 13, 2023

Dear Colleagues:

In keeping with the Oregon Narcotics Enforcement Association's (ONEA) commitment to contributing to the health and welfare as well as the professional, personal and academic growth of its members and their families, the ONEA Executive Board is proud to request applications for two college scholarships. One \$1,500 college scholarship will be awarded to a deserving dependent of an ONEA member who will graduate from high school at the end of the current academic year and who will attend an accredited college or university during the next academic year. Another \$1,500 college scholarship will be awarded to a deserving dependent of an ONEA member who is currently a college student attending an accredited college or university and who will be attending an accredited college or university during the next academic year.

The scholarship application forms along with the qualifications and requirements are attached. Scholarship materials, as well as ONEA membership information, are also available on the ONEA website's home page at www.onea.org. Completed application packets must be received no later than April 30, 2023, and are to be mailed to:

ONEA
Attn: Scholarship Committee
P.O. Box 5372
Beaverton, OR 97007

An ONEA Scholarship Committee will review the application materials in May 2023 and will award the scholarship by June 1, 2023. All applicants will be notified of the outcome of the process in writing. The awarded scholarship funds will be sent to the recipient's college or university financial aid office upon enrollment.

On behalf of the ONEA Executive Board, I would like to invite members with eligible dependents to participate in this opportunity. Please contact ONEA Executive Director Kevin Walruff at (541) 944-7798 or kwalruff@onea.org if you have any questions about the scholarship program or if you are interested in becoming an ONEA member.

Sincerely,
